UPDATE: Important roadworks information
A47 Wisbech Roundabout to Pullover Roundabout - safety improvements
We're planning to inspect the average speed cameras on the A47 between Wisbech Roundabout and Pullover Roundabout. These routine checks will make sure the cameras remain in good condition and continue to help keep journeys safe.
We plan to complete this work over **two** nights on **Saturday 17 October** and **Sunday 18 October.** We will work **overnight** between **8pm** and **5am**, weather permitting.
Closures and diversions
To carry out the work safely, we will need to close the A47 in both directions, and divert traffic as detailed below:

Closure	Dates	Diversion
A47 Wisbech Roundabout to Pullover Roundabout	**Saturday 17 October and Sunday 18 October 2026**, **8pm to 5am**	• Traffic travelling eastbound on the A47 will be diverted onto A1101 at Wisbech Roundabout. Follow the A1101 and A1122 to the A10 to rejoin the A47 at Hardwick Roundabout. • Traffic travelling westbound will follow the same diversion as above, but in reverse.

We would like to take this opportunity to thank you for your patience and apologise for any disturbance caused by our work.
A map of the diversions is enclosed.
How to find out more
To find out more about road improvements we're carrying out across the East of England, please visit our website at https://nationalhighways.co.uk/our-work/east/.
If you would like more information, please contact us on 0300 123 5000, or by email at info@nationalhighways.co.uk.
